OPAC Snapshot™ Classic

Bring Your Catalog to Life

Our content enrichment service provides additional information that your patrons have come to expect. When your library subscribes to the OPAC Snapshot service, your Atriuum OPAC or Concourse WebOPAC search results are instantly enhanced with Cover Images, Table of Contents, Author Notes, Summaries, and more.

You can be confident that the additional information will make your library shine and increase usability and efficiency for you and your patrons.

Atriuum users receive the added benefit of seeing the enhanced content on the librarian side. When cataloging, this helps aid with ensuring the correct ISBN has been associated with the title.

We offer a variety of OPAC Snapshot Classic packages to fit the needs of most libraries with options to purchase additional elements. For a complete listing of packages and elements, please refer to the chart on the reverse side.
